

✍ **A sign from God can change your life if you will heed it.** It can change your eternal destiny when you believe God is speaking to you and you listen. All it takes is a sign, and for you to follow it will spring you out of an eternity in Hell paying for your own sins and place you into Heaven forever with God.

☒ There is one sign, the one Jesus calls the last sign, if you heed it, you will be in Heaven for sure. Luke 11:14-16, they effectively call Him Satan and then ask for a sign to prove that He's not. "Prove to us that it wasn't Satan's power," you can understand why Jesus says Luke 11:29. What is that?, the sign of Jonah? The people who received that sign were the Ninevites, cruel and evil, but God didn't want them to get what they so richly deserved because that is the way God is, so He sent them a sign. Jonah hated the Ninevites and wanted them to burn in Hell, he wanted it so bad that he risked his own life to make sure they got what they deserved. But God negotiated with Jonah about preaching repentance to the Ninevites. Does God have a mission for you? Has He called you? Don't negotiate! Just do what He tells you. Jonah got vomited onto the shore and went immediately to Ninevites and preached to them repentance, they repented because Jonah was such a sign of the seriousness of God. Do you think that God is serious? Do you think He means what He says? Do you think that Hell is real and something to avoided at all costs? You will if you pay attention to His sign.

The sign that God has sent to us is as impressive and foreboding as that of Jonah, and even more so because it is the last sign we are getting. "No sign will be given but..." there is not another one, not another stop sign, turn around sign, or dead end sign. You may think that that is very cut and dry and not very patient, but you'll change your tune when you realize that God has sent us a proliferation of signs. Jesus of Nazareth came fulfilling over 400 signs predicting His coming in the Old Testament. But even with all that, He gives them (and us) one more sign, by far the biggest and most potent. If you won't believe and heed this sign, then you will go to Hell, you will be judged as Paul put it in Acts 17:31. You will be sentenced to Hell, and you will have these horrible people, the Ninevites, who repented and turned to God; you will have them as witnesses against you Luke 11:32.
